A new vista towards development of Tourism in Haryana

Tourism industry is ever evolving and Haryana is ready to bring to tourists and visitors a new vista to seek fun and thrill through adventure sports. Adventure holds important position in the tourism Industry and is often considered a benchmark of tourist destinations.

Adventure tourism is a type of tourism in which people engage in adventurous activities like as skydiving, Trekking, Paragliding etc and is extremely popular across the world.

Under Comprehensive Plan on Development of Adventure activities in Haryana, Government of Haryana and Haryana Tourism Corporation is going to launch Paragliding, Paramotor, Hot Air Balloon, Roller Zorbing, Jet Scooters in Tikkar Taal. A number of sites have been finalized which have the potential to be adventure activity centers such as Morni Hills, Tikkar Taal, Damdama, Badkhal etc., where commercial activities will commence after successful trial runs by experts in the field.

About Morni Hills and Tikkar Taal

The Morni Hills are 45Kms from Chandigarh, 31 Kms off the Chandigarh-Shimla Highway No. 22. Morni is at a height of 3900 feet. While temperatures are cooler here which makes it a perfect hill station for escaping the heat of the plains. Surrounding forests, serene ambiance and cool climes of lake Tikkar Taal make it a popular tourist spot in the region, where tourists and locals alike engage in boating and other activities.
